Mr. Timur Maksimov
Deputy Minister of Finance,
Russian Federation

Subject: "Protocol on Electrification of Garmsar-Inche Burun Railway Line" project

Dear Deputy Minister,

This is to acknowledge the receipt of your letter attached with the draft Protocol of Amendment to the Intergovernmental Loan Agreement for the above-mentioned project, through Russian Federation Embassy to Tehran, Note No. 83 dated January 17, 2021.

While appreciating prolongation of the credit utilization period for the project, till the end of 2026, I would like to draw your attention to the following issues mentioned in the draft protocol:

1. *A large amount of utilization of the loan will be made in the period of 2023-2026, which makes it difficult and even impossible to repay the loan within two years (in the years 2027-2028) due to internal procedures and budget constraints.*
2. *The part of the loan that will be used until the end of 2022, should be repaid before the start of operation of the project.*

In light of the above, it would be prudent to postpone the start of repayment of the credit, after the end of the utilization period (2026), with a format similar to what already agreed in the Loan Agreement, (within 5 years).

Therefore, it is requested to kindly confirm the above issues and provide us with the revised draft of the Protocol at the earliest convenience.

Please accept, Excellency, the assurances of my highest regard.

Seyed Ali M. Mousavi

Vice Minister
and President of OIETAI
