Data Bank of Information Security Threats

Withdraw by: 10, 20 (/threat?size=20) , 50 (/threat?size=50) , 100 (/threat?size=100)

UBI. 001 (/threat/ubi.001)	The threat of automatic spread of malicious code in the grid system
UBI. 002 (/threat/ubi.002)	The threat of aggregation of data transmitted in the grid system
UBI. 003 (/threat/ubi.003)	The threat of exploitation of weaknesses of cryptographic algorithms and vulnerabilities in the software for their implementation
UBI. 004 (/threat/ubi.004)	Threat of Hardware BIOS Password Reset
UBI. 005 (/threat/ubi.005)	Threat of introducing malicious code into the BIOS
UBI. 006 (/threat/ubi.006)	Threat of code or data injection
UBI. 007 (/threat/ubi.007)	Threat of impact on programs with high privileges
UBI. 008 (/threat/ubi.008)	Threat of recovery and/or reuse of authentication information
UBI. 009 (/threat/ubi.009)	Threat of restoring a previous vulnerable BIOS version
UBI. 010 (/threat/ubi.010)	Threat of a process leaving the virtual machine

LAST CHANGES

12/16/2020
UBI. 222 Threat of machine learning model spoofing (/threat/ubi.222)

12/16/2020
UBI. 221 Threat of modifying a machine learning model by distorting (“poisoning”) training data (/threat/ubi.221)

12/16/2020
UBI. 220 Threat of disruption of the functioning (“bypass”) of tools implementing artificial intelligence technologies (/threat/ubi.220)

12/16/2020
UBI. 219 Threat of training data theft (/threat/ubi.219)

12/16/2020
UBI. 218 Threat of Machine Learning Model Information Disclosure (/threat/ubi.218)

02/11/2020
UBI. 217 Threat of using a compromised trusted source of software updates (/threat/ubi.217)

11/15/2019
UBI. 216 Threat of gaining unauthorized access to applications installed on Smart cards (/threat/ubi.216)

11/15/2019
UBI. 215 Threat of unauthorized access to the system using third-party services (/threat/ubi.215)

11/15/2019
UBI. 214 Threat of untimely identification and response by components of the information (automated) system (including information security tools) to information security events (/threat/ubi.214)

02/08/2019
UBI. 213 Multi-factor authentication bypass threat (/threat/ubi.213)
